ABOUT THE RETREAT

In a warm, family-like setting with shared meals, teaching sessions, and plenty of time together, we hear from Paul Young about his personal journey from abuse and hurt into a healed and reconciled relationship with God and others. Paul's view of God and his way of living are shaped by a deep trust in a God who loves and welcomes every person. Through stories from his own life and suffering, Paul invites us into a relationship with God marked by freedom and compassion. There will be time for personal interaction with Paul and each other.

ABOUT PAUL YOUNG

Paul grew up as a missionary kid in Papua New Guinea and now lives with his wife Kim in the Pacific Northwest. In 2007, his debut novel, *The Shack*, written for his six children, became a global success, selling over 25 million copies and inspiring a Hollywood film adaptation. For almost 20 years, Paul has been speaking around the world about his experiences with the God who accepts and loves us unconditionally.
